

CENTRAL OHIO NUMISMATIC ASSOCIATION

Box 1561, Dublin, OH 43017

June 2023

When: 7 p.m., June 21
Where: Oakstone Academy
900 Club Dr., Westerville
Presenter: George Kane
Topic: Post-colonial African coins

June meeting

George Kane will make a presentation about his post-colonial African coin collection. He started collecting U.S. coins from circulation when he was 8 and started collecting foreign coins in high school. In 2019 he set out to collect the first coins that the newly independent African nations issued. He has found that in assembling this collection he has learned a lot about the African continent, the colonial states that emerged as European nations exploited the continent's resources and established relationships with the native people and finally after World War II became independent nations.

CONA President Steve Petty presents speakers medals to Phil Charvat , left, and Bill Kamb, right.

Ohio State Coin Show update

Greetings CONA Members,

Tony and I will not be at the June meeting because of our family vacation so I will let you know what is happening with OSCS 2023. Thanks to help from Maureen Herrbach and Pete Miller (and a couple of his friends at the May meeting), the 2100+ post cards will be ready to mail on July 5 before the rate increase on July 9th. The show is sold out and the remainder of the dealer fees are due by July 17.

We have asked for a special Board meeting on July 18th to discuss the security increase for this year, the effect on the 2023 and 2024 budgets, table fee increases for 2024, and other related items.

The Bourse Committee will report on that meeting at the regular July CONA meeting. Please plan to come to the CONA meeting on August 16th when we will be assembling dealer goodie bags, CONA member badges, dealer badges, and a few other items to help prepare for the show. I so appreciate your help and am looking forward to another fun show.

Gratefully,
Patty

First time in nearly 200 years

This year's Edith Kanaka'ole American Women quarter dollar expresses the denomination as "25¢." It's the first time in nearly 200 years, that the denomination has been expressed as a numeral. Capped Bust quarters, issued from 1807 through 1838, express the denomination as 25¢.

BLAST FROM THE PAST

From the Aug. 17, 1871, Columbus Dispatch

Arrest of a Counterfeit Dealer at Gallipolis.
GALLIPOLIS, August 16.—United States Detective, L. E. Shaw, arrested, this afternoon, Reuben Haig, clerk in a store here, charged with shoving counterfeit money. He had on his person thirty-five fifty-cent pieces, and ten more were found at a saloon and stores where he had passed them. He has information of an organized band engaged in the business in this vicinity, which will probably lead to their capture.
